

What is Ignite 2006?

Ignite 2006 is a Senior High Youth Rally for those youth that are in grades 9-12 and their adult sponsors. The event will take place at First UMC, Mansfield. There are opportunities for large group rally time with a keynote speaker, a praise and worship band, a concert and an entertainer.

Group Leader Information for Ignite 2006

This brochure has information that you will need to make plans for Ignite. Workshop information is located on the back of the registration brochure. There are workshops for youth and for adults.

We left the cost of the event blank on the poster so you can include fees for transportation and housing in the overall cost of the event. Please note that you will need to mail \$30 per participant with your registration forms that are due on Friday, March 24.

We have moved to a Scantron system for registration in hopes of getting the information into the system faster and more accurately. You will be asked to include a "Church Code" on the registration forms. This code will correspond to the code that your local church financial person uses in coding paperwork for the conference office. I would recommend that you insert your name and church code on your registration forms before making copies for your group. You will probably have fewer questions that way.

Lisa McCutcheon and myself are available to assist you in any way we can. Please do not hesitate to call us at the office 817.877.5222 or 800.460.8622 or email us: lisa@ctcumc.org or doug@ctcumc.org with your questions.
