

Workshop Options 2006

- 1. Igniting the Fire** - Have you been stuck in your walk with God? Do you need someone to light a fire under you and get you going? You'll learn about what God wants from all of us and how to jump start your growth with God.
- 2. Sign Language** - Have you wanted to learn how to communicate in a new way? Learn some simple signs and how they can be used in a worship experience. You'll have a chance to practice a new way to worship God.
- 3. How to Make God Smile** - Worship isn't just a part of your life; it is supposed to be your life. Too often we think worship just happens on Sunday morning. Come hear about how to worship God, abide in His love and do everything for Jesus.
- 4. Current Events and The Bible** - Have you ever wondered what the Bible had to say about some hot topics? What does the Bible have to say about the things that are happening in our world today? You'll see how God's word interacts with the world.
- 5. Fanning the Flames** - You and I are called as Christians to "put on" the character of Christ by developing habits that glorify God. God uses all sorts of methods to help us become more like Christ. You'll learn about some of the spiritual disciplines that can help you in your Christian walk.
- 6. Passing the Flame** - You have some amazing news to share. You know about the love of God and your mission is to share that with others. Learn how to share the good news wherever you are with those people God places in your path.
- 7. Refiner's Fire** - In life, we are all tempted. Each temptation is an opportunity to do good. Every time we choose to do good instead of sin, we are growing in the character of Christ. God wants to remove the impurities in our life. Come hear about how God is working on all of us.
- 8. The Heart of a Servant** - Have you ever wondered what sets a servant apart from everyone else? God asks us to have a servant heart but what qualities does that mean we need to have. Greatness isn't about status but rather about service.
- 9. How Do You See Your Life?** - The way you see your life shapes who you are. The image that comes to your mind about your life influences the choices you make. How can you shape your life image into God's vision for your life?

Adult Options

- A. Communication One on One** - Have you been wanting to learn how to better communicate with your students? What about leading a small group more effectively? You'll discuss ways to help get your message across, deepen relationships and lead a discussion with students.
- B. Connecting with Students** - Has this ever happened to you? Your students are talking about their favorite band and you have no idea who they are! Students love music and you want to know what they are listening to and why. Come hear more about how to connect with students through music.
