

THE UNITED METHODIST CHURCH
CENTRAL TEXAS CONFERENCE
WAXAHACHIE DISTRICT

January 12, 2010

Thank you for your faithfulness in fulfilling your goal of supporting our United Methodist Connectional Giving 100%. This has been a difficult and frightening time for our world and our nation. There has been a surplus of fearful news and a shortage of hopeful news. Thanks be to God that we always have hope thru Jesus the Christ's atoning work because of God's love.

There is much praise being raised to God because you have chosen to live by faith and not fear. This has been evident in many ways, but especially in your giving. Jesus said, "Where your treasure is there will your heart be also". Your heart has been living in faith and hope.

On behalf of those whose needs are being met by your faithfulness, thank you. Let us continue to live by faith as we give thanks to our source, God Almighty and all loving.

IN CHRIST'S JOY & HOPE,

REV DON SCOTT
