

# Weatherford District Student Leadership Team

*Serve the Servant*

Are there students in your church who want to take their faith and leadership to the next level? If so, we've got just the right thing for you! The Weatherford District Student Leadership Team has decided to spend the next year focusing on and digging deeper into the subject of Christian leadership—what it's about, what it's got to do with young people, what ways we can get plugged in and get our hands dirty in service of Jesus.

This group will be meeting every 3rd Sunday of the month from 3-5 pm and is open to 2 teenage representatives from each church. The meetings will be at various churches throughout the District. Over the course of the year, we will together study at least three books and participate in two leadership-building events.
